

Technique information: Personality

PATTERNS

Rolls are flocked with continuous designs and any Customer's pattern may be realised (once checked and approved).

Design ratio must be 64 cm, on the contrary it will be reproduced accordingly.

SAMPLES

Laboratory samples in DIN A4 may be prepared to let you check the finishing and the paper/flock combining (laboratory trial equipment, costs on request)

MANUFACTURING

Personality may be realised on any ICMA base using any of ICMA standard flock type and colour. Minimum order per colour and pattern 3.500 m² even in different standard substances.

Sheets in 70x min 50/Max 140 cm size.

M.T.O. production (special flock colour, supports and widths) on request.

Any information about printing techniques, light-fastness, scratch (dry) and wet resistance as well as about the used papers from the corr. ICMA cards.

ICMA technicians are at your disposal for any suggestion.
